

Tenor and bass song sheet

Gospel Intro (after Four hand claps)

Heart meets heart, heart meets heart, heart meets heart, it's a brand new start.
Heart meets heart, heart meets heart, heart meets heart, it's a brand new start.

Verse 1 (after short piano intro)

Clapping for people on the front line,
Chatting to neighbours in our street.
Zooming our families and loved ones,
The different ways we can meet.
Growing community kindness,
Asking a stranger "how are you?"
Facing our sorrows together,
With the power of our love coming through.

Straight into Chorus

Heart meets heart.
These four walls are getting wider,
It's a brand new start.
Let's make our world a brighter, better place.

Straight into Verse 2

(Soprano and alto Finding paths we never knew existed),
Looking at things with fresh eyes.
(Soprano and alto Watching the leaves and the flowers unfurl),
And the sculpture of trees against the sky.
Nature will carry on daily,
And when we all stop it can thrive.
Lowering levels of pollution,
And watching the spring, bursting into life.

Straight into Chorus

Heart meets heart.
Nature's lungs are getting stronger,
It's a brand new start.
Let's make our world a brighter, better place.

Gospel break same as Intro (after two hand claps)

Heart meets heart, heart meets heart, heart meets heart, it's a brand new start.
Heart meets heart, heart meets heart, heart meets heart, it's a brand new start.

Verse 3 (after short piano intro)

Finding all the things that I love doing,
Knowing I am stronger than I thought.
Cutting out the noise to find contentment,
In the quiet and not the things I've bought.
Living for now, not the future,
Seeking the joy in every day.
Trusting my own limitations:
I'm adaptable, I'm strong, I am brave.

Straight into Chorus

Heart meets heart.
These four walls are getting wider,
It's a brand new start.
Let's make our world a brighter, better place.

Gospel outro (after 2 hand claps. Sopranos sing highlighted bits)

Heart meets heart, sharing rainbows,
Heart meets heart, new connections,
Heart meets heart, tending nature,
Heart meets heart,
It's a brand new start.

Heart meets heart, It's a clean slate,
Heart meets heart, blue skies and sunshine,

Heart meets heart, inner resilience

Heart meets heart,
It's a brand new start.

Heart meets heart, heart meets heart, heart meets heart, it's a brand new start.
Heart meets heart, heart meets heart, heart meets heart, it's a brand new start.
